COMMON SENSE

Leads most intelligent people to use only medicines of known composition. Therefore it is that Dr. Pierce's medicines, the makers of which print every ingredient entering into them upon the bottle wrappers and attest its correctness under oath, are daily growing in favor. The composition of Dr. Pierce's medicines is open to everybody, Dr. Pierce being desirous of having the search light of investigation turned fully upon his formulæ, being confident that the better the composition of these medicines is known the more will their great curative merits be recognized. Being wholly made of the active medicinal principles extracted from native forest roots, by exact processes original with Dr. Pierce, and without the use of a drop of alcohol, triple-refined and chemically pure glycerine being used instead in extracting and preserving the curative virtues residing in the roots employed, these medicines are entirely free from the objection of doing harm by creating an appetite for either alcoholic beverages or habit-forming drugs. Examine the formula on their bottle wrappers—the same as sworn to by Dr. Pierce, and you will find that his "Golden Medical Discovery," the great, blood-purifier, stomach tonic and bowel regulator—the medicine which, while not recommended to cure consumption in its advanced stages (no medicine will do that) yet *does cure* all those catarrhal conditions of head and throat, weak stomach, torpid liver and bronchial troubles, weak lungs and hang-on-coughs, which, if neglected or badly treated lead up to and finally terminate in consumption.

Take the "Golden Medical Discovery" *in time* and it is not likely to disappoint you if only you give it a *thorough* and *fair* trial. Don't expect miracles. It won't do supernatural things. You must exercise your patience and persevere in its use for a reasonable length of time to get its full benefits. The ingredients of which Dr. Pierce's medicines are composed have the unqualified endorsement of scores of medical leaders—better than any amount of lay, or non-professional, testimonials. They are not given away to be experimented with but are sold by all dealers in medicines at reasonable prices.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure.
If it's painful periods with women, same cause.
If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.
Bruise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.
We sell at 25 cents, and cheerfully recommend

DEATH OF ISAAC D. SURRATT.

As stated in Monday's Gazette, Isaac D. Surratt, son of Mrs. Mary E. Surratt, hanged in Washington in 1865, charged with complicity in the assassination of President Lincoln, died Sunday morning at his home in Baltimore from indigestion and paralysis of the heart. The deceased, who was 66 years old, was born at Foxhall, the old Surratt home, in the District of Columbia. Mr. Surratt when he had entered manhood was engaged in railroad work in the vicinity of Alexandria. Prior to the breaking out of the civil war he went South and was for several years in the government mail service, carrying the mail from Texas to small points in Mexico. At the outbreak of hostilities the deceased immediately joined a company attached to the First Texas Cavalry, under the command of Gen. Bankhead Magruder, and participated in many fierce battles. Mr. Surratt was numbered among those Confederates who never surrendered, for when the news was received that Lee had laid down his arms at Appomattox, the entire company of which he was a member fled into Mexico, their purpose being to join Maximilian's forces during the uprising in the latter country. But here trouble was encountered, for Maximilian insisted on selecting officers for the troop, and rather than submit to any such treatment the company of Confederates hurriedly took their departure. From Mexico Mr. Surratt went to Europe, where he remained for nearly a year, and it was not until he returned to this country that he learned of the execution of his mother.

Court Room Guarded.

Rome, Nov. 6.—With a cordon of troops drawn around the building in which his trial is in progress, former Minister of Public Institution Nunzia Nasi entered the prisoner's dock yesterday to answer charges of misappropriating government funds while in office.

Nasi is the people's idol and throngs of his sympathizers packed the street all about the place of the trial, pressing on the streets, cheering the accused ex-official and denouncing the government. The authorities are averse to resort to extreme measures in case of dire necessity, but the situation is so threatening that strong forces of reserves are held in readiness for an emergency call, and there are indications that they will be needed unless Nasi is vindicated. Signor Lombardi, Nasi's former secretary, is under indictment with the latter. Though suffering from pneumonia and unable to speak above a whisper, he has courted almost certain death by compelling his friends to bring him to the trial room in the hope that his testimony may acquit his former master and himself.

Riotous demonstrations have occurred at Trapani, in Sicily, Nasi's home town, where the people have elected the accused stateman president of the municipal council and a national deputy to show their confidence in him. A detachment of infantry is maintaining a semblance of order.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real Coffee in it either. Health Coffee Imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. Sold by E. S. Leadbeater & Sons.

Calls Him a Coward.

Bridgeport, Conn., Nov. 6.—Branding her wealthy young husband a scoundrel, a liar and a coward, for charging her with misconduct with their negro coachman, Mrs. Henry Johnson Lord today indignantly vowed she would meet his divorce proceedings in court. She said she would prove, not only that she is falsely accused, but that her husband is himself guilty of paying too much attention to other women, among them a New York heiress, who spends much time in a Connecticut summer town. Mrs. Lord, who was Miss Augustina Emanuel, of New York, before her marriage, says her husband is simply imitating Augustus J. Hartje, the Pittsburg millionaire, because he has not sufficient originality to trump up grounds for divorce of his own.

A Significant Prayer.

"May the Lord help you make Bucklen's Arnica Salve known to all," writes J. G. Jenkins, of Bapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25c at all drug stores.

Only a little cold in the head may be the beginning of an obstinate case of Nasal Catarrh. Drive out the invader with Ely's Cream Balm applied straight to the inflamed stuffed up air passages. Price 50c. If you prefer to use an atomizer, ask for Liquid Cream Balm. It has all the good qualities of the solid form of this remedy and will rid you of catarrh or hay fever. No cocaine to breed a dreadful habit. No mercury to dry out the secretion. Price 75c, with spraying tube. All druggists, or mailed by Ely Bros., 56 Warren street, New York.

FOR OVER SIXTY YEARS.

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhœa. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.
Guaranteed under the food and drugs act June 30th, 1906. Serial number 1098.

LOSES $200 FROM HER STOCKING

Miss L. Arthur, a pretty New York girl, is mourning the loss of $200 in bills which she missed while at dinner at the Hotel Wellsboro Atlantic City. The loss of the money worries the young lady, but the most puzzling feature of the affair is the manner of its loss, the cash having reposed in her stocking. The charming young woman blushed when she told the police of the repository of the money before its loss, and her face turned deep crimson when a hardhearted sleuth insisted on a reply to his query as to whether her garter was in need of first-class repair. So far the money has not been traced, but the police have hopes that it merely worked its way over the top of the encasement of the shapely member and will be returned by some honest guest of the house who may have found it.

Alexandria Gazette
SIC SEMPER TYRANNIS
AND VIRGINIA ADVERTISER

WEDNESDAY EVENING, NOV. 6, 1907.

VIRGINIA is still one of the Gibraltars of democracy, the result of yesterday's election having seemingly cemented the party more strongly than ever. In the Eighth district republican and independent candidates who were as sideshows, have not as yet emerged from their storm cellars. Mr. Charles C. Carlin, the democratic candidate for Congress, has been elected by a majority larger than that ever received by a candidate for that honor in this district, while Mr. R. E. Thornton has been elected to the State by a tidal wave vote over his republican opponent. The voters of Alexandria city and county, justly appreciating the ability and past services of Mr. James R. Caton, have returned him with an overwhelming majority. As had been anticipated, his opposition was not of a nature to cause the slightest apprehension in this city. The action of the democratic voters in confirming the nominations of these gentlemen by so large a vote was spontaneous and as it should have been. The new Congressman from this district is an Alexandrian, and is no freak of fortune. He was born and reared in our midst, and is in every sense a self-made man. He began life as a clerk in a store and while engaged in this work he entered the public schools and by close study acquired the knowledge which fitted him for the bar and finally to represent this district in Congress. In 1892 he was elected a member of the board of aldermen from the Third ward of the city, his first representative position in life, and while serving in that capacity was appointed by President Cleveland postmaster of the city. With no fortune upon which to lean nor mighty backers to shove him forward, he has forged steadily ahead, making friends wherever he went, and his political prominence is the outcome of his own genius and industry. The same may be said of the worthy Delegate. Mr. Caton began his political career at the lowest rung of the ladder and his attainments are the outcome of his inborn ability and industry. He, too, has reached prominence through the rugged road. He has toiled on, rising above disappointments and setbacks, and is now enjoying the fruits of his own labor. Mr. Thornton, the new State Senator, is the peer of either the above. He has begun his political career with every indication of success, and his ability and perseverance will impel him forward. The people of the Congressional, Senatorial and Legislative districts may be proud of the trio which is to represent them.

PREACHERS often stain their cloth or make themselves cheap by mixing with politics. Some of the most fluent men that have ever occupied pulpits have minimized their spiritual power over their hearers by carrying politics into the church. Many incidents could be produced to verify this assertion. After Rev. Oliver C. Horsman, pastor of the First Baptist Church at Morristown, N. J., had finished his sermon last Sunday morning, in the course of which he had attacked the character and record of Assemblyman Henry W. Buxton, who had been nominated by the republicans, H. Grinnel Disbrow, of New York, arose from his seat and made a scathing reply, in which he characterized the statements made by the pastor as slanderous, untrue and misleading. Mr. Disbrow justified his action by saying that Mr. Horsman asserted that he believed in fair play and that both sides should be heard, and that he had taken him at his word. A committee from a church in another state was present to hear Mr. Horsman preach, with the possible intention of asking him to become their pastor. This was unfortunate for the divine, as the committee will not be likely to recommend him after witnessing the above incident.

THE PASSING of Mr. W. R. Hearst was one of the incidents of the election in New York yesterday. He was doubtless anticipating the result of approaching events when he recently announced his purpose to retire from politics. Yesterday's election not only retires him pretty completely from the field of possible presidential candidates, but shows that he has been practically wiped out while his mound will be insignificant in the political graveyard. The labor vote, which has been strongly in favor of Hearst, both last year and the year before, has evidently deserted him, and for the reason that he had attempted to use it as a personal political asset.

THIS crisis is teaching the people of the west the uses of a credit currency. The cashiers' checks circulating so freely out there are nothing else, except that they are secured in the way a credit currency would be, with a first claim upon the banks' assets. Yet they are unhesitatingly accepted, passing from hand to hand without indorsement just like banknotes. When the public has got used to them it may not be averse to an emergency currency better printed on more durable paper and better secured.

THE Maryland democrats did well yesterday when they elected A. L. Crothers governor and nominated former governor Walter Smith for the U. S. Senate. Gov. Warfield, who imagined himself bigger than his party, was justly rebuked by the democrats for his presumption—besides he was not regarded as a straight democrat.

MR. ROOSEVELT went out of his way to interfere in the Ohio election and to have Congressman Burton nominated for Mayor of Cleveland. The people of that city administered a just rebuke to the President by re-electing Mr. Tom L. Johnson mayor.

From Washington.

[Correspondence of the Alexandria Gazette.]

Washington, Nov. 6.

Fire of unknown origin was discovered at 2 o'clock this morning in the Department of Seed Distribution, Bureau of Plant Industry, Department of Agriculture, on Thirteen-and-a-half street, between C and D streets southwest. So quickly did the flames spread that by 2:30 o'clock the blaze had entirely enveloped the big building, which is 100 by 200 feet in dimensions and five stories in height. This is one of the newest additions to the Department of Agriculture, and represents a large outlay of money. The Department was quited and the loss, it is estimated, will be great.

The fact that clearing house certificates are now being circulated in many cities of the country in lieu of currency has been brought unofficially to the attention of the Treasury officials. It is held by legal experts that such certificates fall within the law which prohibits the issuance of notes of circulation other than national bank notes, except upon the payment of a 10 per cent tax. In view of the tight money market threatening the operation of large mercantile and industrial establishments in many cities, and the desire of the Treasury Department to do nothing that will add any embarrassment to the present situation, no step has been taken to collect the tax. Nor is it likely that any action will be taken unless the certificates should be kept in circulation after the necessity for their use shall have passed.

The results of yesterday's elections were received by the administration with equanimity. The only contest in which President Roosevelt publicly manifested a personal interest was in Cleveland, Ohio, but it is said that he is not greatly disappointed to have Burton back in Congress. There is no doubt however, that he wanted to wrest Cleveland from democratic rule. Tammany's triumph in New York was a foregone conclusion. President Roosevelt is known to have regarded the Parsons-Hearst alliance as a grave political blunder. Johnson's victory in Cleveland is regarded here as a considerable setback to the Taft boom.

THE ELECTIONS.

Six States — Maryland, Kentucky, Massachusetts, Mississippi, New Jersey and Rhode Island—elected governors yesterday. In Mississippi there was only the democratic ticket in the field.

In Massachusetts the republicans won a sweeping victory, re-electing Governor Guild and the other State officers, and the usual majorities in both branches of the legislature. John B. Moran, the independence league candidate for district attorney of Boston, was re-elected by a large plurality over his democratic and republican competitors.

It was anti-corporation sentiment and the wide split in the democratic party which enabled Governor Guild to win by one of the largest republican pluralities ever polled in Massachusetts. This is the explanation with which the democrat leaders are consoling themselves for their defeat and republicans do not deny it. The split in the democratic vote is causing grave apprehension among the friends of Mayor Fitzgerald, of Boston, who is up for re-election next month on the regular democratic ticket.

Pennsylvania elected a State treasurer, John O. Sheatz piling a republican majority of about 175,000.

In Maryland Austin L. Crothers, democrat, was elected governor over G. R. Gaither by 5,000 majority and former Governor Walter Smith and Senator Pinkney White were nominated by the democrats for the U. S. Senate. The legislature will be democratic.

In Nebraska the republicans elected their ticket by about 12,000 majority.

Tammany elected its entire ticket in New York county, defeating the republican-independence league fusion candidates by pluralities from 40,000 down. Tammany elects 25 assemblymen, against 26 last year, while the republicans get 10 instead of 9.

Returns received at Trenton, N. J., up to one o'clock indicate the election of Fort, republican, for governor by 5,000. Both branches of the legislature will be republican. In the House the republicans will have a majority of 18 and in the Senate 7.

The victory in the license and no license fight decided in Delaware was about equally divided between the liquor forces and the anti-license party. The "drys" won two counties—Kent and Sussex—and the liquor party won Wilmington and rural New Castle county. Kent county went "dry" by 1,500 majority and Sussex county by a majority of 2,000. Wilmington, which comprised in itself one of the four districts into which the State had been divided, gave a majority of 4,286 for the liquor forces. Only one of the 12 wards in the city went "dry."

Returns from the voting districts of Rhode Island reached Providence very slowly last night. The figures showed little relative change from last year, although on the face of the returns Gov. James H. Higgins, the democratic candidate for re-election, had made a slight gain over his vote of last year. Today's dispatches declare his election about 1,000 plurality.

Tom L. Johnson was elected Mayor of Cleveland, Ohio, by from 3,000 to 5,000 majority, defeating Mr. Roosevelt's choice, Congressman Theodore Burton.

Good government forces won a sweeping victory in the San Francisco election yesterday. Edward R. Taylor for Mayor and Wm. H. Langdon for District Attorney, with practically their entire ticket, were elected by pluralities that will run from 20,000 to 25,000. All the anti-graft supervisors have been elected.

In Kentucky Augustus E. Willson, republican, was elected Governor. James F. Grinstead, republican is elected Mayor of Louisville. The next Kentucky legislature will have a democratic majority. This indicates that Governor Beckham will be elected U. S. Senator.

A dispatch from Chicago says that the prohibitionists made big gains in Illinois, Kentucky, Delaware, Pennsylvania, Maryland and Mississippi in yesterday's election and that they have already begun an active campaign for the presidential election.

VIRGINIA.

Returns from over the State of Virginia show that the overwhelming democratic majority in the legislature is maintained, or, if reduced, by only one or two members on joint ballot. The vote was unprecedentedly light everywhere.

In Richmond the party ticket got a vote of about 2,700, while the republican candidates managed to get about 300 each.

In the Eighth Congressional district, Carlin (dem) has an estimated majority of 6,500. He will succeed the late John F. Rixey.

In Fauquier county the election of M. M. Green, democrat, over J. J. Kelly is indicated by about 700 majority.

In Culpeper Alden Bell was elected to the legislature without opposition. Mr. Carlin's majority will be about 600.

In Prince William county the entire democratic ticket was elected. The greatest interest centered upon the contest between C. A. Sinclair, mayor of Manassas, and J. Jenkin Davies for the office of Commonwealth's Attorney, resulting in the election of Davies' by a majority of 187. Davies' majorities by districts are: Gainesville, 59; Brentsville, 25; Colse, 60; Dumfries, 9; Occoquan, 71. Sinclair carried Manassas district only by a majority of 43.

Incomplete returns from Louisa indicate that Carlin has 800 majority for Congress, that Sims is re-elected to the Senate without opposition, and that William E. Bibb defeats J. Goodwin May for commonwealth's attorney by about 250.

C. C. Carlin will carry Loudoun county over E. L. Howard, republican, for Congress by nearly 1,000 majority. There was no contest for county offices.

Returns from Orange and Gordonsville show Carlin's majority over Howard 154.

The senatorial district composed of Frederick and Shenandoah has elected Ward, democrat, for the Senate over Walker, republican. Richard E. Byrd, of Winchester, who will be the next Speaker of the House, was elected in Frederick county over Holt, independent, by probably 600 majority.

Unprecedented apathy prevailed in the election at Lynchburg and only 332 votes were cast. Don P. Halsey, for the Senate, receiving 331, and T. D. Jennings, for the House of Delegates, 332. There was no opposition to the democratic ticket.

C. Harding Walker, for the State Senate; John Curlett, for the House of Delegates, from Richmond and Lancaster counties, and J. A. Jett, for the House of Delegates, from Northumberland and Westmoreland, were elected without opposition. In Richmond county R. B. Omohundro, democrat treasurer, was defeated by Garland, republican, and present incumbent, by 56 majority. J. R. Conley, democrat candidate for sheriff, defeated E. W. Garland, republican and present incumbent by 39 majority.

Republicans carry Smyth, democrats carry Bristol, republicans Montgomery, republicans Wythe, democrats Pittsylvania over an independent ticket.

THE COUNTY ELECTION.

In Alexandria county Mr. Mackey was elected Commonwealth's Attorney by a total of 506 to 274 over C. I. Sims. Wm. H. Palmer, the incumbent, defeated Jacob Birch for sheriff by a scant majority of 27. Mr Ball was elected county treasurer without opposition.

In Jefferson district E. Duncan, republican, was elected a member of the board of supervisors over Walter U. Varney and Joseph Walker. Louis Dalbert, Isaac C. Burrell and D. N. Rust, jr., were elected justices of the peace. Bishop Ferguson and Gov. Swanson.

[Special Dispatch to the Alexandria Gazette.]

Richmond, Va., Nov. 6.—It is published here this afternoon that Bishop Ferguson, of Africa, the negro bishop, whose entertainment by Bishop Potter, of New York, at a dinner occasioned severe comment, attended a reception given at the Mansion by Gov. and Mrs. Swanson, in honor of the Bishop of London, to which also the general public was invited. The black bishop was introduced to several Richmond ladies, who became offended. Gov. Swanson today declined to make a statement. The incident recalls the O'Ferrall-Teamah affair in which the Boston negro was entertained at the Mansion by the late Governor O'Ferrall.

South American War Cloud.

Montevideo, Uruguay, Nov. 6.—Following its intimation that the Uruguayan legation would be withdrawn from Argentina unless the latter surrenders a Uruguyan tug seized at the Island of Martin Garcia, disputed territory, Uruguay is openly making military preparations. There has been no explicit threat of war by the Uruguayan government, but the foreign minister's decision yesterday that his county possessed sufficient strength to repel aggression is generally accepted as a plain intimation that Argentina must yield or fight. A full explanation of Uruguay's claims to the island and the grounds on which they are made will be sent from Montevideo to Brazil, which has asked for information regarding the dispute. Though Martin Garcia, an island in the river Plate, is much nearer the Uruguayan than the Argentina shore, the later has held possession for years. Uruguay proposes now the assert its alleged rights.

Mrs. Hartje Besieged.

Pittsburg, Nov. 6.—Mary Scott Hartje, since the trial of the divorce case that has brought her so prominently before the public, has been so annoyed by thousand of letters, mostly protestations of love from men, that she has become alarmed. Fearing some sort of a trap on the part of her husband, these letters are burned as fast as they are received. According to Miss Vandegrift, Mrs. Hartje's companion, these letters would be humorous under other conditions. Letters of encouragement, letters of praise and letters of congragulation are received in every mail. It became impossible to respond to every one in writing, so a form has been prepared. It reads:

"Dear Madam or Sir: Your kind note was duly received, and your words of sympathy are much appreciated by

"MARY SCOTT HARTJE"

Hitchcock Surrenders.

New York, Nov. 6.—Pale and haggared, a mere shadow of his former self, Raymond Hitchcock, the comedian and former star of "A Yankee Tourist," who has been a fugitive from justice since October 1[illegible], staggered in the District Attorney's office today and surrendered. He was arraigned under six indictments accusing him of wrong doing with several young girls. The actor declared that since his disappearance he has been in New York all the time, but confined to a room by illness brought on by the shock incidental to his trouble. He was taken to Part 3 of general sessions court and pleaded not guilty to the indictments brought against him. Bail of $7,500 was fixed on one of the counts and he was paroled on the other five in the custody of Attorney Goldsmith.

Fatally Injured by Automobile.

New York, Nov. 6.—Unconscious from injuries suffered in a collision between their dog cart and a speeding automobile, two unidentified young men are dying today at the Presbyterian Hospital. The police are making desperate attempts, but with small prospects of success, to find the autoist responsible for the accident. The two young men, seated in an expensive dog cart and driving a blooded horse, were jogging down Fifth avenue at midnight when at Fifty-first street an automobile whirled around the corner, headed south, struck the cart and threw both its occupants into the street. The men landed on their heads close together: Neither stirred.

Sentenced for Libel.

Berlin, Nov. 6.—Adolf Brandt, a pamphleter who made charges against Chancellor Prince Von Buelow of immoralities similar to those attributed by Editor Maximilian Harden to Count Cuno Von Moltke, was sentenced to eighteen months' imprisonment today. Unlike Harden, Brandt had no case whatever. He admitted that he based his allegation on heresay, pleading only that he wrote on good faith concerning chancellor. The blamelessness of the Prince's private life afforded him not the slightest basis for an appeal for mercy, and he quickly allowed the case to go against him.

To Contest Will.

Boston, Nov. 6.—"I will contest it if it takes my last dollar," declared Edward F. Baker, when questioned today concerning the will signed by his brother, Walter F. Baker, who, he charges, was murdered. The document discovered in a Boston safe deposit box makes Natalie, the four-year-old daughter of Mr. and Mrs. Frank Hurd, with whom young Baker made his home in Bogota, N. J., heir to about $100,000. The will leaves to Edward F. Baker only $5,000. The document is still in the vault, the Safe Deposit Company having refused to surrender it because no executors have been named for Baker's estate.

THE JAMESTOWN EXPOSITION.

A detailed financial statement of the Jamestown Exposition was made yesterday. The liabilities of the Exposition Company are heavy, being more than three and a half times as great as the assets.

It is anticipated that within 24 hours after the exposition closes on the night of November 30 a receiver will be appointed to wind up its complicated financial affairs. A receiver may be appointed before the gates are closed. With assets involved by judgments, attachment suits, first and second mortgage bonds, original purchase price deficit mortgage, the government loan, unpaid salaries and many lesser creditors who have no standing, it is the opinion of those who have made a careful study of the situation that there can be no other solution of the problem except a receivership. And a difficult problem it will be.

The total liabilities are $3,565,000 and the assets $982,669.

It is planned by the exposition management to send a strong lobby to Washington when the next Congress meets or the purpose of inducing the government not only to shoulder the loss of its loan to the exposition, but also to pay up all of its deficits.

The directors of the exposition will meet today to consider the question of reopening the fair next year.

An increase of $240,000 in income from other sources is overcome by an increase of $1,412,257 in interest and rentals. The net result is a decrease of $2,938,744 in the balance over fixed charges, which for 1907 is $790,321. The net increase of dept was $26,717,900, making an increase of $1,412,257 in fixed charges.

The future policy of the company, it is stated, is not to extend its territory, but to "concentrate its resources upon building up and strengthening the established lines of the system." This means a second track, first of all, on "the lines now burdened with the heaviest traffic."

On earth for us without her presence,
Years of loneliness of grief and pain;
But s ill we smile amid our tears
In knowing our loss is but her gain.

We miss her in our joys and sorrows,
She was our life, our center and our sun;
And yet we would not call her back,
But whisper, 'Oh God thy will be done."

THE ELECTION YESTERDAY.

Yesterday's election, as had been anticipated, resulted in a virtual walk-over for the democratic candidates. Mr. C. C. Carlin for Congress, Mr. R. E. Thornton for the State Senate, and Mr. James R. Caton for the House of Delegates, were elected by large majorities, so large that the opposition to these gentlemen was simply picayunish. There was a large turnout of democratic voters, although the opposition was generally looked upon with mirth. This was in contrast to some places in Virginia, where apathy is said to have been in evidence.

Early in the night many people appeared on the streets for the purpose of ascertaining the result of the balloting. None, however, was anxious, but all were animated by curiosity to learn the depth of the snowunder. The returns were soon posted, and they caused laughter rather than hurrahs.

The following tabulated statement is the result, by precincts, of yesterday's vote in this city:

CAND.DATES.	First Ward.	Second Ward.	Third Ward.	Fourth Ward.
FOR CONGRE S.				
C. C. Carlin	259	317	253	228
E. L. Howard	16	6	15	5
STATE SENATE.				
R. E. Thornton	248	304	253	218
J. C. DePutron	23	17	15	14
HOUSE OF DELE-GATES.				
James R. Caton	211	275	241	185
Frank T. Evans	65	45	71	52
W. C. Coleman	2		1	1

DEFECTIVE BALLOTS.

The following ballots were thrown out:

First Ward	13
Second Ward	10
Third Ward	8
Fourth Ward	9
Total	40

The total vote cast in yesterday's election was 1,097 of which Mr. C. C. Carlin received 1,062; Mr. Caton, 912, and Mr. Thornton, 1,023

The following is the vote by wards:

First Ward	242
Second Ward	332
Third Ward	281
Fourth Ward	242
Total	1,097

QUESTION OF PARENTAGE.

Through the efforts of Capt. Williams, of Washington, the parentage of Emma Vance Hulse, of this city, which for the last few days has been somewhat in dispute, was yesterday definitely determined. Miss Hulse is the daughter of Mrs. E. V. Griffin. When the girl was arrested, both Mrs. Griffin, of 123 south Pitt street, Alexandria, and Mrs. Bessie Bayne, of 423 Four-and-a half street southwest Washington, claimed her as daughter. Mrs. Bayne is a daughter of Mrs. Griffin. Mrs. Bayne, it is said, admitted that she was not the girl's mother.

Miss Hulse was arrested in Washington Monday afternoon at the request of Mrs. Griffin, who informed Capt. Williams that she was the girl's mother, and had discovered that her daughter was not employed at a Washington lunch room, as she had supposed. Mrs. Bayne appeared at the station and insisted that she was really the girl's mother.

Yesterday Mrs. Bayne and Mrs. Griffin accompanied by their respective adherents, met at the station and held a council. Capt. Williams listened to both sides, and finally demanded that proofs be submitted. Mrs. Griffin exhibited a certificate from the physician, who was present at the time of the child's birth, and her contention was substantiated by her husband and relatives, who had accompanied her.

Mrs. Bayne said that she had only desired to claim the girl because of her love for her. She admitted that she was the sister of Emma. Miss Hulse was released from the House of Detention, and is now at the home of her parents in this city.

AUCTION SALES TOMORROW.

Mr. Samual H. Lunt, auctioneer, will sell at public auction on the premises at 11 o'clock tomorrow morning, 3,800 acres of land with a number of buildings and improvements, lately used as a dairy farm by the High Point Plantation Co., at High Point, Fairfax county, including about 1,200 acres of valuable timber land; also a considerable lot of personal property, consisting of live stock, complete lot of modern farming implements, steamboat, gasoline launch, portable engine, scow, threshing machine, wagons, husker, ensilage cutter, etc. The steamer Dallas, of the High Point Plantation Co., will also be sold. The Dallas will leave Washington tomorrow morning at 9 o'clock and stop at this city on her way down to transport such Alexandrians as may desire to bid at the sale.

Capt. R. F. Knox will sell at public auction at noon tomorrow in front of the Royal street entrance to the City Hall a lot of ground with the improvements thereon on the south side of Oronoco street, partly in Alexandria city and county. Capt. Knox will also sell at 3 o'clock p. m. on the premises two lots of ground on Mount Vernon avenue, in Alexandria county.

SAYS HE WAS SHANGHAIED.

Henry Thomas, a boat hand, was taken into Washington police court yesterday morning on the charge of disorderly conduct. While before Judge Kelloway he told a tale of cruelty and hardship, alleging that he was shanghied from Baltimore several weeks ago. Notwithstanding his story, the judge ordered he psy a fine of $5 for his offense. According to Henry he and several other men were set upon by several oyster boat captains in the neighborhood of the wharves in Baltimore, and dragged aboard one of the boats, For twenty days he was forced to endure all kinds of hardships, and was brutally treated and often beaten until unconscious. During this time he was fed on the poorest of food. When near Colonial Beach he managed to escape, and swimming to the shore, sought shelter in the woods until he was able to obtain employment. After earning some money he took one of the river steamers for Washington.

NEW NORFOLK STEAMERS.

Mr. John Callahan, second vice president and general manager of the Norfolk and Washington line steamers, has sent to the leading shipbuilding firm on the Atlantic coast specifications and plans for the two new steamers which his line will have built during the coming winter in time for the opening of the summer travel of 1908. The new boats are to be 305 feet long over all, and 296½ feet between perpendiculars. Their molded beam over guards is to be 51 feet, and they will be 27 feet 9 inches deep. They are to be very speedy, and will be handsomer in appointments, it is said, than any steamer now afloat on Chesapeake bay. The boats are to have 152 staterooms, all supplied with running water, and several of the gallery rooms on the top deck will have bathrooms attached. No woodwork will be used in the construction of the steamers below the saloon deck, and the furnishings of the staterooms, so far as possible, will be of metal. The steamers it is said will make the run between this city and Norfolk well within ten hours, which is about two hours faster than any boat now in service on Chesapeake bay.

IMPORTANT DECISION.

In the case of S. H. Hawes & Co. against the W. R. Trigg Co., Judge Grinnan of the Chancery Court of Richmond decided on Monday the tug boats "Bristol," and "Chester," which were under construction for the Pennsylvania Railroad Company, and the tug boat "Cape Charles," which was likewise being built for the New York, Philadelphia and Norfolk Railroad Company, by the Wm. R. Trigg Co., at the time of the appointment of the receiver in the above mentioned cause, were the properties respectively of the said railroad companies and are not subject to the claims of the "supply-lien" creditors of the Wm. R Trigg Co. This decision is of much interest to the legal profession. Col. Francis L. Smith, of this city, represented the railroads in this case.

WILLS PROBATED.

The will of the late Miss Mary E. Lindsay was admitted to probate today and Mr. H. F. Robertson qualified as administrator with the will annexed. Mr. Robertson is the beneficiary under the will.

Steadman; $50 each to Celia Milburn and Harriet Johnson and the remainder of his estate to his brother, John McWilliams, his sisters, Matilda and Margaret McWilliams, and his mother, Matilda McWilliams, share and share alike. The estate is valued at $10,000.

NEW PIER.

The work of excavating and building the cofferdam frame about the pier of the Aqueduct bridge is about completed and a pile driving machine which had been working on the Eastern branch has been taken to the bridge and the driving of the sheet piling in the cofferdam was started. A large steam pump will keep the cofferdam free of water while the men are at work. Within the next two weeks it is thought that the men will be able to go down in the cofferdam and the foundations for the stone pier will be placed in position. The pier to be rebuilt is on the Virginia side of the Aqueduct bridge and has been giving trouble for a number of years.

LABOR LEADER DEPOSED.

John Nugent, president of the West Virginia Federation of Labor, president of the United Mine Workers of West Virginia, and member of the Legislature, was deposed as president of the Federation of Labor following his trial before delegates from various lodges of the federation, who have been meeting in Wheeling, since Monday morning.

Nugent was charged with being a traitor to union labor, and a large number of witnesses were examined. Nugent failed to appear at the hearing. As a result of the trial, the federation officials composing the trial board decided to turn over the charter and all other property of the West Virginia Federation of Labor to the American Federation of Labor.

Nugent had recently returned from a tour of Europe in an effort to induce foreign miners to come to West Virginia. This is the reason of the union's hostility to Nugent.

LINGERING COLD.

Withstood Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by Gibson & Timberman and W. F. Creighton & Co.

MR. WILLIAMS' IDEA.

Hon. John Sharp Williams, of Mississippi, who is now in Washington, declared yesterday that the President and the people are "forgetting too much the cornerstone of all civic righteousness, which is individual responsibility."

He opposed an extra session of Congress and federal incorporation of corporations, and said: "Landing behind the bars three men whose names are constantly upon the public tongue for plain violation of both the State and national law will do more good to check trusts and interstate commerce evils than any number of fines, injunctions or receiverships."

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. Sold by E. S. Leadbeater & Sons.

SAT UP IN HER COFFIN.

While the minister of the church was pronouncing funeral services over the supposed dead body of Mrs. Fred Harzell, of Monterey, Mexico, yesterday, the woman stirred, sighed, and then sat up in the coffin. The minister fainted, the pallbearers and friends fled from the room, and only the husband remained to assist Mrs. Harzell from the box. Several days ago Mrs. Harzell fainted and was pronounced dead by several physicians.
